

Promoting Educational Stability and Success for Foster Youth

Right now, over 600 San Francisco foster youth are in need of a permanent home. San Francisco Unified School District is committed to supporting foster youth in finding a permanent family right here in San Francisco. It is a proven fact that youth in stable homes do better in school.

How You Can Help

Our School-Based Recruitment Campaign has embraced the slogan: **“Be the One or Find the One.”** Please contact us if you or someone you know is interested in helping support a San Francisco foster youth. Ways you can help:
