

<b>Title</b>	Healthy Parks, Healthy People Nature Walks on Saturday Mornings - Fun and Free Walking Programs
<b>Item Type</b>	Student/Family Oppty
<b>Priority Level (Site To Do's ONLY)</b>	
<b>Description</b>	<p><b>What:</b> These free and fun walking programs welcome any participant on the same 1st through 4th Saturdays every month, (from 10 AM to noon) in San Francisco's beautiful natural parks. A park representative will greet participants, lead stretching exercises and a nature walk.</p> <p><b>Why:</b> The physical and mental health benefits of recreational experiences in nature are well known. The attached "Healthy Nature Walks Information Sheet" may help with clinical screening and counseling for physical activity, stress, depression, chronic disease self-management, and social support.</p> <p><b>How:</b> We encourage you to print any of the attached Healthy Nature Walks flyers below. The flyers can be posted in waiting room/s, or given by clinicians and staff to help "prescribe" or recommend physical activity in nature.</p> <p><b>Where:</b> The locations and schedule for the HPHP Healthy Nature Walks is consistent throughout 2018 and likely into 2019.</p>
