Title	NEW - DCYF Funded Programs Information and Resource Tool
Item Type	Student/Family Oppty
Priority Level (Site To Do's ONLY)	Low
Description	<p>San Francisco's Department of Children, Youth, and their Families (DCYF) has released an online tool to help SFUSD site staff find out which DCYF funded programs are located at or near school sites. You can easily access descriptions, contact information, and schedules for hundreds of programs across the city, filtering by service areas, neighborhoods, and more. You can also instantly narrow your search to only include programs within a certain distance of your school site.</p> <p>Start by selecting a school from the dropdown menu then you can choose to get a list of all the DCYF funded programs at that school OR you can get a list of all DCYF funded-programs near the school and you could also adjust the distance from the school to widen the search.</p> <p>The tool was designed in collaboration with SFCSD and RPA, and will be updated quarterly. If you have any questions about the tool, contact Jill Berkin at jill.berkin@dcyf.org.</p>
