- High
- **Medium**
- Low

WHAT: Highs and Knows: A professional development day on teaching about substance abuse prevention.

WHO: All middle and high school health teachers. Nurses, social workers, and other Wellness staff are welcome as space allows.

WHEN: Tuesday, October 24th, 2017, 8:00AM-3:30PM.

**WHERE: School Health Programs, room 8.
1515 Quintara St., San Francisco (cross street is 24th Ave.)**

WHY: To educate teachers and staff on how to teach secondary students about substance use prevention, using updated and progressive information and approaches. Review the data regarding substance use among SFUSD students and plan what you can do about it!
