**WHAT: Health Awareness Themes and September's Health Awareness Month: *Better Together: Building a Healthy School Community***

- This month's School Health Programs campaign focuses on starting the school year well by developing healthy habits for the entire year. The focus is on setting up systems to support a healthy classroom and school environment.
- Schedule times when Wellness staff and/or teachers of health lessons can present to staff, i.e., at faculty meetings.
- Collaborate with colleagues and School Health Programs staff. (Visit [www.sfusdhealtheducation.org](http://www.sfusdhealtheducation.org) or email at [healthed@healthiersf.org](mailto:healthed@healthiersf.org))
- Promote and attend School Health Programs professional development. (Use the links to view *Save-The-Dates* for opportunities).
- Throughout the year, schedule health units/lessons and school-wide events related to each month's theme. (Use the link to view list of the months' themes as a guide.)
