### Description

**Trauma-Informed Consultation with Teachers and Staff**

**WHAT:** One-day Professional Development for building capacity for trauma-sensitive practices in the school setting

**WHO:** K-8 School Social Workers, Nurses, Administrators, Counselors, Content Specialists, Mental Health Interns, and other educators who provide coaching and consultation to teachers and other professional staff

**WHEN:** Tuesday January 22, 2019 OR Friday February 8, 2019

**WHERE:** School Health Programs, 1515 Quintara St. @24th Ave

**WHY:** This professional development will focus on trauma-informed teacher/staff consultation that can help to create more trauma-sensitive, safe, and supportive learning environments by building teachers’ capacity to work effectively with students who have been impacted by trauma.
