

SFUSD Restorative Practices

The Social Discipline Window

The underlying premise of Restorative Practices rests with the belief that people will make positive changes when those in positions of authority do things *with* them rather than *to* them or *for* them.

According to the Social Discipline Window, a restorative approach requires a balance of high levels of control/limit setting with high levels of support, encouragement, and nurture.

(Costello, B., Wachtel, J. & Wachtel, T. (2009) *The Restorative Practices Handbook*, PA. IIRP)
