Request Materials

Instructions

To request resource materials, please follow these steps:

- Use the provided filtering options to find the resources you need
- Indicate the quantity of each resource your organization is ordering
- Click on the Finalize Order button
 - If this button does not appear, hit the Enter key to proceed
- Review your order and provide contact and delivery information
- Click on the Submit Order button to send us your materials request
- Allow 2 weeks for delivery

There is no cost for this service. However, all orders must have a valid San Francisco address. Should you require, you may download paper-based material request forms by using these links for the Immunization Materials Request Form and Seasonal Immunization Materials Request Form.
